

Use of Information and Materials

The information and materials contained in these pages, and the terms, conditions, and descriptions that appear, are subject to change. Unauthorized use of BestFXsignal.com site and systems, misuse of passwords, or misuse of any information posted on a site is prohibited. Not all products and services are available in all geographic areas. Your eligibility for particular products and services is subject to final determination by BestFXsignal.com and/or its affiliates

Notice

Please read these terms and conditions carefully. By accessing this site and any pages thereof, you agree to be bound by the terms and conditions below. If you do not agree to the terms and conditions below, do not access this site, or any pages thereof.

Information

This information should not be regarded by recipients as a substitute for the exercise of their own judgment. Information contained herein has no regard to the specific investment objective, financial situation or particular needs of any specific recipient. The content is based on information obtained from sources believed to be reliable but is not guaranteed as being accurate, nor is it a complete statement or summary of the markets of developments referred to in the content. The content herein is published solely for informational purposes and is not to be construed as a solicitation or an offer to buy or sell any spot currency transactions, options, derivative products, futures, or other securities or related financial instruments. Any opinions expressed in this content are subject to change without notice and BestFXsignal.com is not under any obligation to update or keep current the information contained herein. Spot foreign currency transactions, options, derivative products and futures are not suitable for all investors, and trading in these instruments is considered risky. Past performance is not necessarily indicative of future results. BestFXsignal.com accepts no liability whatsoever for any loss or damage of any kind arising out of the use of all or any part of this content. No part of this content may be reproduced or distributed in any manner without the written permission of the provider via the Internet or otherwise. BestFXsignal.com accepts no liability whatsoever for the actions of third parties in this respect.

Market Opinions

BestFXsignal.com does not predict or forecast market conditions. BestFXsignal.com and any of its related products are analytical tools only and are not intended to replace individual research or investment advice. Any opinions, research, analyses, prices, news, or other information contained on this website is provided as general market commentary, and does not constitute investment advice. No representation is being made that any software or training will guarantee profits or not result in losses from trading. Unique experiences and past performances do not guarantee future results. Performance can and does vary between individuals. BestFXsignal.com will not accept liability for any damage, or loss, or including without limitation to, any loss

of profit, which may arise directly or indirectly from use of or reliance on such information.

No Warranty

The information and materials contained in this site, including text, graphics, links or other items are provided. BestFXsignal.com does not warrant the accuracy, adequacy or completeness of this information and materials and expressly disclaims liability for errors or omissions in this information and materials. No warranty of any kind, implied, expressed or statutory including but not limited to the warranties of non-infringement of third party rights, title, merchantability, fitness for a particular purpose and freedom from computer virus, is given in conjunction with the information and materials.

Internet Trading Risks

There are risks associated with utilizing an Internet-based forecasting or execution trading system including, but not limited to, the failure of hardware, software, and Internet connection. Since BestFXsignal.com does not control signal power, its reception or routing via Internet, configuration of your equipment or reliability of its connection, we can't be responsible for communication failures, distortions or delays when trading via the Internet.

Submissions

All information submitted to BestFXsignal.com via this site shall be deemed and remain the property of BestFXsignal.com and shall be free to use, for any purpose, any idea, concepts, know-how or techniques contained in information a visitor to this site provides BestFXsignal.com through this site. BestFXsignal.com shall not be subject to any obligations of confidentiality regarding submitted information except as agreed by the BestFXsignal.com entity having the direct customer relationship or as otherwise specifically agreed or required by law. Nothing contained herein shall be construed as limiting or reducing BestFXsignal.com responsibilities and obligations to customers in accordance with our Privacy Policy.

Limitation of Liability

In no event will BestFXsignal.com be liable for any damages, including without limitation direct or indirect, special, incidental, or inability to use by any party, or consequential damages, losses or expenses arising in connection with this site or any linked site or use therefore, or in connection with any failure of performance, error, omission, interruption, defect, delay in operation or transmission, computer virus or line or system failure, even if BestFXsignal.com, or representatives thereof, are advised of the possibility of such damages, losses, or expenses.

Additional Terms

BestFXsignal.com

Certain sections or pages on this site may contain separate terms and conditions, which are in addition to these terms and conditions. In the event of a conflict, the additional terms and conditions will govern for those sections or pages.

Availability

This site is not intended for distribution to, or use by, any person or entity in any jurisdiction or country where such distribution or use would be contrary to local law or regulation.
